Reasons for Decision

I refer to order B237462 dated 14 October 2021, in that order the proposed alterations and redefinition were approved subject to a certificate of compliance being provided to the licensing authority and an order being issued for the use of the beer garden.

The licensee has provided a certificate of compliance from ICM Construction dated 7 December 2021, therefore approval is granted for the use of the beer garden. The licence and licensed plan is updated accordingly.
