Reasons for Decision

Section 27AA(4) of the *Gaming Machines Act 1992* (the Act), states the Commissioner may, after receiving an application for the variation of a gaming machine licence, determine that the application is to be a designated application for the purposes of section 17A of the Act. In this case, I have determined this not to be a designated application. Section 27AA(7) of the Act requires me to have regard to the matters set out in section 15(5)(a) of the Act to the extent they are relevant to the application. I have considered these matters.

Under Delegation from the Liquor and Gambling Commissioner
