## Authorisations

**The following authorisations/restrictions are removed from the licence**

- Sale of liquor in an approved place adjacent to the licensed premises authorised

## Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

I note that the licence currently provides authorisation to sell liquor in an adjacent area. The applicant has not applied

for this authorisation to remain on the licence. Accordingly, the relevant authorisations and conditions are removed from the licence and the licensed area redefined to exclude the outdoor dining area. The licensed area is outlined in red on the approved plan.
