## Requirements

The following requirements in support of the application have been satisfied:

- The application has been advertised
- All approvals, consents or exemptions have been obtained

## Premises

### Capacity

The capacity of the venue is set at 200.

### Alterations/Redefinition

- I redefine the licensed premises in accordance with the plan lodged with the application.
- The licensed area is outlined in red on the approved plan.

## Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

I refer to order B242650 of 4 July 2022 adjourning the matter until a Certificate of Occupancy is provided by the licensee. The licensee has now provided the licensing authority (the Authority) with a copy of the Certificate of Occupancy for the premises.

The licensee has applied to redefine their licensed premises to include level 1 to the licensed area. The Certificate of Occupancy provided by the licensee confirms the change of use for the first floor to a licensed premises. Pursuant to section 68 of the *Liquor Licensing Act 1997* (the Act), the application is granted and the new licensed area is outlined in red on the approved plan.

The licensee has also applied to vary the conditions on their licence to increase the capacity of the licensed premises from 100 to 200. The Certificate of Occupancy provided by the licensee in support of the application indicates that the maximum number of occupants for the building is 200. As such, pursuant to section 43 of the Act, the capacity of the premises is increased to 200.
