Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The applicant has addressed the objects of the Act in their application and I am satisfied the sale, supply and consumption of liquor will be undertaken safely and responsibly, consistent with the responsible service and consumption of liquor, and the expectations and aspirations of the public.

Pursuant to section 56 of the Act, I am satisfied the licensees are fit and proper persons to hold the licence. I note a submission from Mr Kurray was received regarding an incident of offending in 2015 and was considered in connection with this probity assessment.

Pursuant to section 57 of the Act, I am satisfied the proposed premises are of a sufficient standard for the purpose of carrying on business under the licence. Further, I am satisfied the operation of the licence would be unlikely to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises and or to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.

The District Council of Robe has confirmed they support the proposed liquor licence and I am satisfied all relevant approvals, consents and exemptions are in place.

Pursuant to section 72 of the Act, I am satisfied the lessor has consented to the application.

I am satisfied the proposed licence is not contrary to the public interest or inconsistent with the objects of the Act.
