Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The application is for the grant of a small venue licence. The applicant has addressed the objects of the *Liquor Licensing Act 1997* (the Act) in the application and I am satisfied that the sale, supply and consumption of liquor will be undertaken safely and responsibly, consistent with the principle of responsible service and consumption of liquor and the expectations and aspirations of the public.

I am satisfied that the grant of the licence would not be contrary to the public interest or inconsistent with the objects of the Act.

Pursuant to section 56 of the Act, I am satisfied that all persons who occupy a position of authority in the entity holding the licence, are fit and proper persons to occupy such a position.

Prior to a licence for premises being granted, the licensing authority must be satisfied that:

- the premises for which the licence is sought are of sufficient standard for the purpose of properly carrying on business under the licence; and
- that the operation of the licence would be unlikely -
- to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises; or
- to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.

I am satisfied this is the case.

The licensing authority must also be satisfied that any:

- approvals, consents or exemptions that are required under the law relating to planning to permit the use of the premises or proposed premises for the sale of liquor have been obtained; and
- approvals, consents or exemptions that are required by law for the carrying out of building work before the licence takes effect have been obtained; and
- other relevant approvals, consents and exemptions required for carrying on the proposed business from the premises have been obtained.

The City of Adelaide has confirmed they do not have any concerns with the trade proposed under the licence and I am satisfied all relevant approvals, consents and exemptions are in place.

Pursuant to section 37(2) of the Act, I confirm the venue is located in the Adelaide Central Business District (a prescribed area).

Pursuant to section 72 of the Act, I am satisfied the lessor has consented to the application.

Pursuant to section 97 of the Act, I confirm the business conducted under the licence must, at all times when open to the public, be supervised by a director of the licensee or a responsible person approved by the licencing authority.

I am satisfied the grant of this small venue licence would not be contrary to the public interest or inconsistent with the objects of the Act and make this order to grant the licence.
