Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The application is for the grant of a small venue licence. The applicant has addressed the objects of the *Liquor Licensing Act 1997* (the Act) in the application and I am satisfied that the sale, supply and consumption of liquor will be undertaken safely and responsibly, consistent with the principle of responsible service and consumption of liquor and the expectations and aspirations of the public.

I am satisfied that the grant of the licence would not be contrary to the public interest or inconsistent with the objects of the Act.

Pursuant to section 56 of the Act, I am satisfied that Elizabeth Parker is a fit and proper persons to hold the licence.

Section 57(1) of the Act states that an applicant for premises or proposed premises must satisfy the Authority:

(a) that the premises for which the licence is sought are, or, in the case of premises not yet constructed, will be, of sufficient standard for the purpose of properly carrying on business under the licence; and

(b) that the operation of the licence would be unlikely -

(i) to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises; or

(ii) to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.

The applicant has indicated that the premises will host art events, such as live music, workshops, functions and theatre shows. In support of the application, the applicant has provided a letter from the City of Adelaide approving the proposed operation of the premises. The premises is located in the Central Business District of Adelaide and I am satisfied of the abovementioned requirements.

Section 57(2) of the Act states that an application for a licence for premises or proposed premises must not be granted unless the Authority is satisfied:

- that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the premises or proposed premises for the sale of liquor have been obtained; and
- that any approvals, consents or exemptions that are required by law for the carrying out of building work before

the licence takes effect have been obtained; and

- that any other relevant approvals, consents and exemptions required for carrying on the proposed business from the premises have been obtained.

The applicant has provided the licensing authority (the Authority) with a letter from the City of Adelaide and I am satisfied of the abovementioned matters.

The application for a small venue licence is granted.
