Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

I note that the condition above has been removed as a result of legislative change which now incorporates this restriction into the Act, and therefore it is no longer required to be included as a condition on the licence.

I add the condition above to the licence as section 97(2) requires that the licensing authority to approve alternative arrangements for the supervision and management of the business where an exemption from the requirement to have a responsible person present is granted. I consider the requirement to have the licensee contactable by phone to be an appropriate alternative to ensure the supervision and management of the business and impose a conditions reflecting these approved alternative arrangements.
