Premises

Capacity

The capacity of the venue is set at 150.

Alterations/Redefinition

I redefine the licensed premises in accordance with the plan lodged with the application.

The licensed area is outlined in red on the approved plan.

Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The applicant has applied to redefine their licensed area and increase their venue capacity.

The proposed variations were advertised by notice to the public and no submissions or objections were received.

Adelaide Hills Council has confirmed the venue capacity and plan are approved and a certificate of occupancy has been issued.

I consider the proposed variation is not contrary to the public interest or inconsistent with the objects of the Act.
