Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

I note that the applicant lodged an application to vary the trading hours and capacity of the licence at the same time as this removal, however this variation application has been adjourned. I have therefore set the hours and capacity in line with the current approval given by Council. This will be reassessed once the variation application is relisted for determination.

I have also removed the authorisation restricting their consumption on to sampling, as this was in contradiction to the other authorisation on their licence permitting full consumption on within what is permitted under the Act.
