Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has applied to increase their trading hours, increase their capacity and remove a condition limiting the number of functions on the premises to four per year.

The licensee's development approval authorises a capacity of 35 persons for the tasting room, and a total capacity of 100 persons for up to 12 functions per year.

Pursuant to section 70 of the *Liquor Licensing Act 1997*, I approve these variations to the licence conditions.

The applicant has also applied to redefine their licensed premises.

Pursuant to section 68 of the Act, the application is granted as per the new licensed area outlined in red on the approved plan.
