Reasons for Decision

I refer to Order B239195 dated 12 January, 2022, in that order the proposed alterations, redefinition and variation to conditions were approved subject to a certificate of occupancy being provided to the licensing authority and an order being issued for the use of the new area.

The licensee has provided a certificate of occupancy from BuildSurv Pty Ltd dated 20 May 2022, therefore approval is granted for the use of the new area and the licensed area redefined. The licensed plan is updated accordingly.

The capacity, trading hours and conditions of the licence are updated accordingly.

I note that from the documentation provided as part of this application that it is evident that the correct address for the premises is 1141 Greenhill Road, Uraidla SA 5142. The premises address is updated on the licence accordingly.
