Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The applicant has addressed the objects of the Act in their application and I am satisfied the sale, supply and consumption of liquor will be undertaken safely and responsibly, consistent with the responsible service and consumption of liquor, and the expectations and aspirations of the public. I note the applicant, in connection with a different licensed entity, has previously held and operated a liquor licence at this premises and this new licence upgrades and replaces that licence.

Pursuant to section 56 of the Act, I am satisfied all persons who occupy a position of authority in the entity to hold the licence are fit and proper persons to occupy such a position.

Pursuant to section 57 of the Act, I am satisfied the premises for which the licence is sought are of a sufficient standard for the purpose of carrying on business under the licence. Further, I am satisfied the operation of the licence would be unlikely to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises and or to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.

Adelaide Hills Council has confirmed they have no objection to the proposed liquor licence and I am satisfied all relevant approvals, consents and exemptions are in place.

Pursuant to section 72 of the Act, I am satisfied the landlord has consented to the application.

I am satisfied that the grant of the licence would not be contrary to the public interest or inconsistent with the objects of the Act.
