Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The application is for the grant of a packaged liquor sales licence restricted to sale by direct sales transactions only. The applicant has submitted that it only intends to sell wine sourced from wineries, importers and distributors. The applicant submits that sales will be via website and on-line application to a global market.

Pursuant to section 57(3) of the Act, I dispense with the requirement the applicant satisfy the licensing authority as to matters referred to in that section.

I am satisfied the grant of this licence would not be contrary to the public interest or inconsistent with the objects of the Act.
