

General and Hotel Licence Information

(From November 2019)

This licence lets licensees sell liquor for consumption on and off the premises.

Existing licences

All existing hotel licences and some special circumstances licences will be incorporated into this category.

Key points about general and hotel licences

Subject to the conditions of the licence, the category authorises the licensee to sell liquor:

- > for consumption on the premises
- > for takeaway over an authorised continuous period of no more than 13 hours between 8am and 10pm
- > to a resident for consumption on or off the premises
- > through direct sales transactions as long as liquor is despatched and delivered in South Australia between 8am and 9pm.

Licensees will be able to set their own hours for trading in takeaway liquor.

Any trading rights in excess of the above that were in force immediately prior to the transition will be retained.

Eligible businesses

Eligible businesses for this category of licence include hotels and taverns and some large accommodation providers who have gaming and takeaway sales.
