Licence Conditions

1. Document control

- 1.1. The licensee will, within 28 days of being directed to do so by the Commissioner, lodge a request for direct debiting to a bank specified by the licensee for the purpose of making gaming tax payments and must provide a copy of the request to the Commissioner.
- 1.2. - 2.3. The licensee will not conduct the gaming operations on the licensed premises between the hours of 2am and 8am unless measures are in place that prevent Cashable Ticket Redemption Terminals (CRTs) which are used for the automated redemption of cashable tickets (and located on the licensed premises) from being operated between the hours of 2am and 8am.
- 2.4. The holder of a gaming machine licence must display an up to date copy of the licence in a prominent position at the entrance to each gaming area on the licensed premises or, if there is more than one entrance, at the principal entrance.
