Re: APPLICATION NO. LL/24/2021 FOR A General and Hotel Licence AT 38-40 Murray Street, ANGASTON

Dear Dini

I write today to endorse the above mentioned application currently under your office's consideration.

Although we are facing unprecedented challenges within the hospitality industry, Angaston is a thriving tourist township that will benefit from the respectful expansion of available goods and services within the wine trade.

To this end I feel it is important to give new and emerging businesses every opportunity to succeed and this licence should allow for the purchase of 3rd party wines to encourage local wine trade to visit and buy interesting wines from around the Barossa and further afield.

If you have any questions regarding my opinion I invite you to call me on 0417 653 332.

Regards

Chris Ringland
