Premises

Capacity

The capacity of the venue is set at 200.

Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has applied to the licensing authority to amend their capacity from 100 to 200.

Pursuant to section 11C of the *Liquor Licensing Act 1997* (the Act), the Liquor and Gambling Commissioner (the Commissioner) should take reasonable steps to avoid any inconsistency with, or the duplication of, matters that are dealt with or addressed under the *Planning, Development and Infrastructure Act 2016* (the Planning Act). The applicant has provided the licensing authority with a letter from Light Regional Council confirming that they have no objection to the Commissioner granting the application. I am satisfied that the increase to capacity would not be inconsistent with matters dealt with under the Planning Act.

Pursuant to section 53 of the Act, I am satisfied that the grant of the application would not be contrary to the public interest.

Pursuant to section 43 of the Act, the application is granted.
