Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The applicant has applied to increase the capacity of the premises from 100 to 400. I note that council has indicated their consent for the proposal. I also note that the licensing authority recently granted an application for the licensee to

redefine the licensed premises, allowing for a greater capacity at the venue.

The applicant has also applied to increase their trading hours to allow them to trade until 2:00am every day. I note that council has also indicated their consent for this proposal.

Pursuant to section 52 of the Act, notice of the application was given to members of the public by notice placed on the licensed premises and on the Consumer and Business Services website - a website which is maintained by the Liquor and Gambling Commissioner. I note that no submissions were received.

I have had regard to the objects of the Act, in reaching my determination.

Pursuant to section 70 of the *Liquor Licensing Act 1997*, the application to increase capacity and the application to amend the trading hours is granted.
