Premises

Capacity

The capacity of the venue is set at 150.

Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has applied to increase the capacity of the premises from 100 to 150.

Pursuant to section 11C of the *Liquor Licensing Act 1997* (the Act), the Liquor and Gambling Commissioner should take reasonable steps to avoid any inconsistency with, or the duplication of, matters that are dealt with or addressed under the *Planning, Development and Infrastructure Act 2016* (the Planning Act). The applicant has provided the licensing authority with a Decision Notification Form from the Mount Barker District Council which indicates that the maximum number of patrons authorised on the premises is 150. As such, I am satisfied that the increase to capacity would not be inconsistent with matters dealt with under the Planning Act.

Pursuant to section 43 of the Act, the application to increase the capacity of the premises is granted.
