Conditions

The following conditions are removed from the licence

- The sale and supply of liquor for consumption on the licensed premises is restricted to liquor produced by the licensee or its shareholders.
- Liquor of any kind may be sold and supplied for consumption on the licensed premises to persons:
 - attending a function or reception; or
 - with or ancillary to a meal; or
 - seated at a table; or
 - by way of sample.

Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has lodged an application to revoke the following two conditions:

"The sale and supply of liquor for consumption on the licensed premises is restricted to liquor produced by the licensee or its shareholders."

"Liquor of any kind may be sold and supplied for consumption on the licensed premises to persons:

- attending a function or reception; or
- with or ancillary to a meal; or
- seated at a table; or
- by way of sample."

I note that the revocation of those conditions will substantially change the products that the licensee will be able to sell for consumption on the licensed premises. I note, however, that the licensee will remain subject to a condition restricting the sale and supply of liquor for consumption off the licensed premises to liquor produced by the licensee or its shareholders. I have considered whether notice of the application should be given section 52 of the *Liquor Licensing Act 1997* (the Act), but have determined it is not necessary on the basis of the location of the licensed premises and the continued restriction of the product that the licensee can sell for consumption off the premises.

Pursuant to section 43 of the *Liquor Licensing Act 1997*, I approve the revocation of those conditions.
