## Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

Pursuant to section 53(3) of the *Liquor Licensing Act 1997*, I waive compliance with the formal need to file an application to vary the capacity of the licensed premises.

Pursuant to section 53(2a), I grant the increase to the capacity of the licensed premises on an interim basis to allow the applicant to trade at the increased capacity whilst the application to increase the capacity on an ongoing basis is advertised and assessed. Advertising instructions will be provided to the applicant by Consumer and Business Services.

If no further order is made regarding the capacity of the licensed premises by 28 February 2021, the grant of the increased capacity is to be considered ongoing and unconditional.
