Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has applied to the licensing authority to amend their trading hours from 11am to 9pm daily to 9am to midnight daily.

Pursuant to section 11C of the *Liquor Licensing Act 1997* (the Act), the Commissioner should take reasonable steps to avoid any inconsistency with, or the duplication of, matters that are dealt with or addressed under the *Planning, Development and Infrastructure Act 2016* (the Planning Act). Enquiries have been made with the Department of Infrastructure and Transport (DIT) as to whether there are any concerns about the proposed variation. DIT have advised that the request to vary the operating hours does not constitute a change in the use of land or development that requires further approval under the Planning Act and does not create any inconsistency with the Act for the purposes of section 11C of the Act. Notwithstanding the above, DIT have confirmed that they do not take issue or object to the request.

Pursuant to section 43 of the Act, the application is granted.
