Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The licensee has sought approval to remove the licence from 25 Murray Street, Tanunda to 151 Murray Street, Tanunda.

The licensee had been operating a business commonly known as a "cellar door" from 25 Murray Street, Tanunda. The licensee has sought approval for the licensed premises to be located in a home office at 151 Murray Street, Tanunda.

The licensee has also sought to remove the authorisation which permits the sale of liquor for consumption on the licensed premises.

The licensee's operation of the business under the licence from 151 Murray Street, Tanunda will be limited to a home activity pursuant to Regulation 3 of the Planning, Development and Infrastructure (General) Regulations 2017, I have therefore removed the capacity from the licence.

As the operation of the business has changed significantly I remove the following condition from the licence:

Food shall be available to patrons at all times when liquor is available for consumption.
