Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

Having considered all of this, I am satisfied that, in view of the limited scope of the business conducted under the licence, an exemption from the responsible person requirements can be granted without compromising the principle of responsible service of alcohol and consumption of liquor.

I note that this exemption applies only to the requirement to have a responsible person present at all times, and that the licensee must still comply with the provisions of the General Code of Practice requiring all persons involved in the sale and supply of liquor to have completed approved responsible service of alcohol training.
