- Sale of liquor for consumption on the licensed premises authorised, but restricted to sampling only

Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The application is for the grant of a liquor production and sales licence which is restricted to the sale of the licensee's product only by direct sales transactions. The applicant has addressed the objects of the *Liquor Licensing Act 1997* (the Act) in their application and I am satisfied that the sale, supply and consumption of liquor will be undertaken safely and responsibly, consistent with the principle of responsible service and consumption of liquor and the expectations and aspirations of the public. The applicant is reminded that the minimisation of harm associated with the excessive or inappropriate consumption of liquor extends to the sale of liquor for consumption off and is encouraged to implement practices that ensure that the potential for harm associated with the excessive or inappropriate consumption of liquor is minimised. Further, the applicant is asked to consider implementing practices that ensure that the sale, supply and consumption of liquor, for consumption off the licensed premises, is undertaken safely and responsibly.

I am satisfied that the grant of the licence would not be contrary to the public interest or inconsistent with the objects of the Act.

The application is granted.
