## Reasons for Decision

In reaching my determination, I have had regard to the objects of the *Liquor Licensing Act 1997*.

The application is for the grant of a liquor production and sales licence. The applicant had initially applied for authorisation to sell liquor for consumption on the licensed premises between Monday and Friday from 9.00am to 5.00pm with a capacity of 10.

I note that on 29 September 2021, the applicant indicated that it does not intend to sell liquor for consumption on the proposed premises or allow prospective customers to visit the proposed premises. Therefore, pursuant to section 51(3) of the Act, I have allowed the applicant to vary the application to remove the trading hours for consumption on the licensed premises and to reduce the capacity of the premises to zero. I have also allowed the applicant to vary the licensed area on the plan.

As the applicant has advised the licensing authority there will be no access to the proposed premises by the general public, I will impose the following conditions and authorisations on the licence:

The licensee shall not, as part of, or in connection with, the business authorised by this licence, invite or admit prospective purchasers of liquor to the licensed premises.

The licensee is authorised to despatch liquor from premises other than the licensed premises. Details of despatch site must be made available for inspection by an authorised officer. Sale of liquor restricted to sale by direct sales transactions only.
