

Land Agents Act 1994

Manager of a Land Agents Office

Notification for a Land Agent

Application for Approval of a Sales Representative

Each of an agent's places of business must be properly managed and supervised by a registered land agent, or by a registered sales representative who has been nominated and approved by the Commissioner to manage an office.

If the manager is a registered land agent you just need to advise the Commissioner in writing so this can be recorded. You can do so by completing this form.

If the proposed manager is a sales representative you will need to apply for approval by completing this form. The Commissioner must be satisfied that the sales representative is qualified to be nominated to manage and supervise a place of business of an agent. Please note that generally a sales representative will only be approved to manage one office.

You should also be aware of the requirements specified in the *Land Agents Regulations 2010* relating to proper management and supervision.

**There are penalties for making a false or misleading statement in this application.
A maximum penalty of \$10,000 applies.
By lodging this application you are authorising the Commissioner for Consumer Affairs to make any
inquiries necessary to determine this application.**
